Hillsboro, here's to you mater I'm Edward Hart you might call this my scrapbook - or just a few scraps of mem. ories of 1951-52 at Hillsboro - Here's what it was like -

This year, for the first time, a group of seniors decided to put on skits during the half of the football games. In the above picture Teacher Pinson disciplines her unruly students: Betty Blevins, Shirley Tritschler, Connie Bowers, Nancy Simpson and Anne Riley Whitmer. In the picture below another group square dances while the band plays "Turkey in the Straw."

MR. ALBERT SCHROEDER

The Senior Class of 1952 dedicates this issue of the HILLSBURRO to Mr. Albert Schroeder.

"Coach" Schroeder is a native Nashvillian. He became acquainted with Hillsboro early, for he is a graduate of our school. After serving in the U. S. Navy he returned home where he completed his education at Vanderbilt

During his three years of teaching at Hillsboro, Mr. Schroeder has taught the English, world history and American history classes. Every student who is in one of these classes realizes that he has never had a more interesting time while learning.

Mr. Schroeder definitely has the "students' view" at heart. There is never a student's problem which he doesn't fully understand and doesn't try to solve

Mr. Schroeder has sponsored the publication of the HILLSBURRO for the past two years. Probably the most difficult task he has undertaken here is to sponsor the Debate team. He has guided them well and has produced many winners.

"Coach" Schroeder's unfaltering aid to Hillshoro's students will always stand high among our many memories of the great school

== DEDICATION =

MR. BILLY MAC JONES

The Senior Class of 1952 dedicates this issue of the HILLSBURRO to Mr. Billy Mac Jones.

Mr. Jones, born in Abilene, Texas, finished his schooling at Vanderbilt University. From there he came straight to Hillsboro where he has made a big hit with everyone.

He is one of the chief reasons for Hillsboro's athletic gains of the past year. For the last two seasons, he has served as the assistant coach of the football team, and next fall he will take over the full coaching responsibility. Mr. Iones has, for two consecutive years, led our basketball squad to the 19th District championship. His magnificent work in leading this year's team, containing not one returning letterman, will always be remembered by everyone. Plus his work with the athletic teams Mr. Jones has taught the Drivers Training classes.

Mr. Jones is married and has a son "Scooter," who we hope will follow in his father's footsteps. If he does he can't go wrong. All Hillsboro's students who know Mr. Jones as either a coach or a teacher agree that his understanding and fine humor make him a friend of all; a friend this class will never forget.

Our Principal, JOHN KOEN

John Koen has been Principal of Hillshoro for ten years. During that time he has seen the school grow from less than 400 students to the present enrollment of 700.

He was born in Koenton, Alabama. He received his B. S. and M. A. Degrees at Peabody College here in Nashville Before coming to Hillsboro he taught biology, chemistry, and physics at Central High in Nashville and was later Dean of Boys at Central.

His favorite hobby is fishing and he indulges in it almost every weekend. But when the fish are not biting he is perfectly content to sleep, as can be seen in the snapshot below.

The Student Council sponsors Friendship Week in the fall to get the school acquainted. It has become an annual affair. A Gilbert and Sullivan operetta is always a sure fire hit and with Mrs. Johns directing, the whole community turned out for two nights of good entertainment. Practically all the departments in school worked on HMS. Pinatore, and the cast included nearly one hundred students. OUR COACHES

MR. BILLY MAC JONES

Mr. En Hessey

The Hillsboro football season of 1931 was the most successful in many years in the eyes of many of the Borro grid this. Perhaps the main reason for its being so successful was the splendad work of the coaches. Mr. Hessey and Mr. Jones. The two mentors started out with a hard task before them and did it well. The task was that of halding almost an entirely new team out of inexperienced material.

Toothy, practice started on the 1sth of August and by the time of the first game. Bellevile, they had molded what many thought to be one of the outstanding teams in the midstate area.

The birst game of the season was with Bellevie and the Birros came out on the long end of the score, 12 to 7. Inds Warren Willie in 1 Mutt Cowan led the green and gold defense and Harrs Brunson and Don McHbenny did the scoring on jaunts of 75 and 82 yards respectively.

Practically the entire student body traveled to Franklin. Kentucky, for our second game and they saw the Hillshoro machine maul the Kentuckians by the score of 41 to 0.

Next on the lis was North Score Hillsboro, 25, North, 0. Everyone placed a great game for the home fans and the B tros had their third victors of the season. The line placed a great defensive game by holding a highly toated North offense to just 21 yards on the ground.

Central's formadoes came to the home gradition and upset the 9th ranked team in the state to the time of 13 to 13. The course team as well as the fans were demoralized when Co-Captain Ted Fore broke his arm in a scramble for a famble. Ted was in their highling, playing perhaps his best game of the season when the accident occurred. The Burros were naturally down-hearted after their bist defeat his took the field at T. I. S. and fought a scrapping eleven to a 6-to 6-dead lock in a 94-degree temperature.

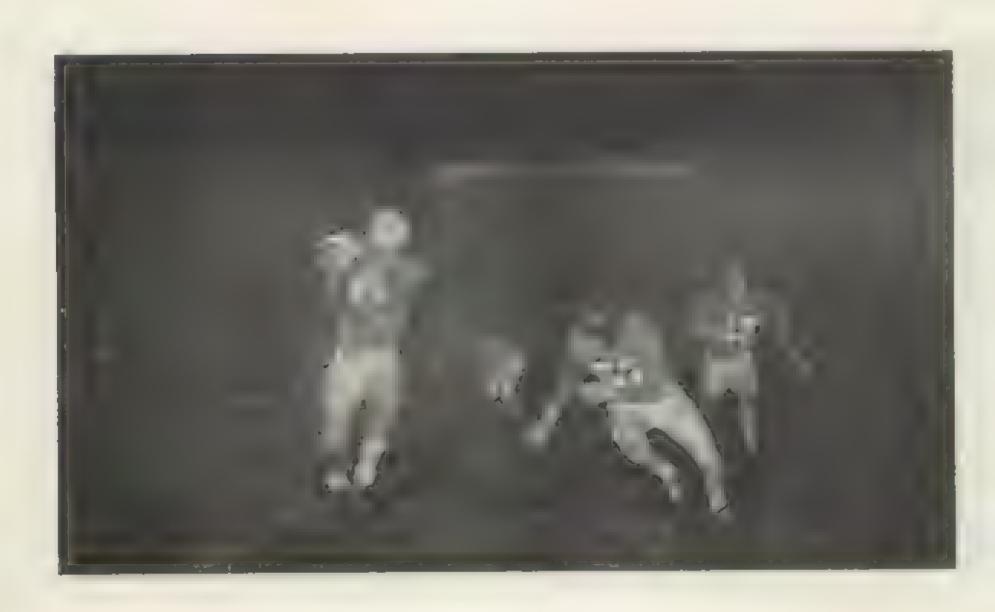

The Burros were determined to come out of their slump and met B G A on our home held for the fifth game of the season. After the game was over the score read 4+ to 6 in Hillshoro's favor. The team scored three times in the first six minutes. Tom Robinson, Novus Henry, Jack Wakeheld, and Nicky Co, tray all played outstanding defensive as well as offensive games for Hillsboro.

Next came the test. We were to play Isaac Litton on their home field and they were ranked number one in the stite at the time, after streamfolding over a number of good opponents. The green and gold stitted out with a bang as Don McHhenny blasted through the Litton line for 65 yards and a chachdown on the third play of the game. The try for the extra point failed. At the end of the game, the Lions were ahead to the time of 2 / to 6. Litton's flashy speedster, George Volkert, couldn't be stopped. We played a good game but not good enough. Mitt Cowan played his best game of the season and was honored by the Nashville Banner as player of the week. Mutt intercepted three passes and made tackles all over the field from his line backing position.

The next game on the schedule meant more to the boxs on the team than any game of the season it was with M.B.A. The Burros donned their gloves and uniforms and went out to smash M.B.A. 27 to 6. It was a great game played entirely in three inches of snow. Those few tans present saw Don McIlhenny carry the ball forty-one times out of forty-three rushing plays and score 2) points. Warren Waite, Jack Wakefield, Ted Fore, Mutt Cowan and Nicky Coutras played wonderful games and completely outplayed the big Maroons from the Harding Road school. Particularly outstanding was the blocking of Conrad Thomas, our fullback. He was instrumental in leading is to all har one of our tallies. Warren Waite recovered four tambles to lead us in the defensive department.

The last game of the season was our Homecoming game before the traditional hage crowd. The Burros were completely outplayed and were soundly beaten by Cohn, 21 to 0

OUR CAPTAINS

TED FORE

MUTT COWAN

Ted Fore and Mutt Cowan served as the captains of this year's football team and did a most excellent job. Ted broke his arm in the Central game but returned to finish the season from the Litton game on. He was one of the best men at his position in the city and played great ball despite the injury. Mutt was always in the thick of things, fighting, and was a constant inspiration to the boys on the team. He was honored on the second team all-AA division and all Nashville clubs, as well as being on the first team Good News Weekly All City team. Both were outstanding all year and kept the fire burning under the boys when things got rough, therefore contributing a major part to a successful season.

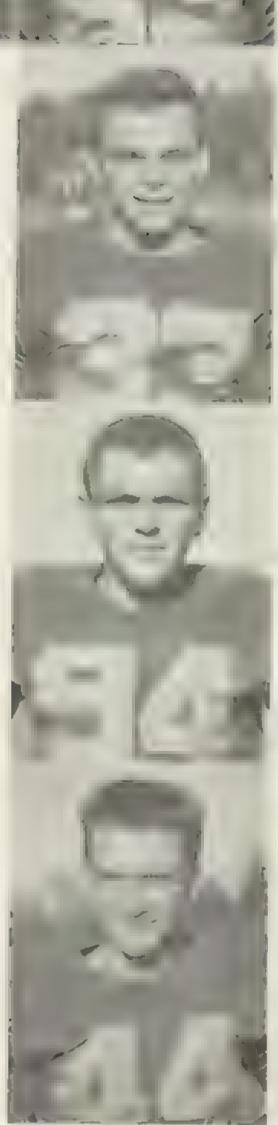

Across top from left to right: Bobby Younglove, Conrad Thomas, Bob Coch-RAN, and HARRY BRUNSON. Down: JIMMY PEARRE, NOVUS HENRY, and ROBERT HARRIS.

DON McILHENNY

Don McIlhenny was the leading ground gainer on the team with 1,576 yards and a score of 108 points during the season. Don was chosen Most Valuable by the team and then Most Valuable in the NIL by the NIL coaches. Don was honored on the All-AA team of which he was honorary captain, the All-Nashville, All-State, All-Southern, and Honorable Mention All-America teams.

HISTORY OF THE FRESHMAN CLASS

The number of Freshmen entering Hillsboro this year was 205, the largest in the history of the school. Having such a large number, it is only fitting that we should have several outstanding members: Kennon, Woodruff, Metcalf, Tidwell, Cooley—football stars; Gorman—boys' basketball; Ross, Richardson, Headden—girls' basketball; and Woods—cheerleader.

Other honors received were: Jean McGee—beauty contestant; Charles Grooms—Art Key and First Place in the Friendship Poster Contest; Margaret Tate, Anne Kennerly—Art Key; Jimmy Vaugh, Leonard Mendelsohn—honors in the band festival; and David Glenn, Nevin Trammell—essay contest winners.

Outstanding activities of the class were—Sophomore Party, Special Freshman Pep Rally, and the Freshman Projects: keeping the auditorium and the cafeteria clean.

Jean McGee was elected as our attendant to the Prom Queen.

Next year we hope to do even more. Look out Hillsboro, we'll be Sophomores next year!

GIRLS' BASKETBALL TEAM

Having the best defensive average of any team in the league, the work of this year's three fine guards sparked us to many successful wins over worthy opponents. Boasting a seasonal record of 17 wins against 5 losses and 1 tie, the girls proved to be one of the top teams in city play.

Led by Captain Betts Sims and Co Captain Judy Siegrist all members of the squad worked hard and improved steadily throughout the season. The smooth half-handling of Betty Meadows, rebounding of Ann Hawkins and the shooting accuracy of Betty Sims all added greatly to our success along with the team's capable guards, Millie Jamison, Betty Adamson and Judy Siegrist.

Boasting quite a lot of experience, having seven seniors, the success is also due to the fine replacements made by

The team was greatly flattered when asked to attend the annual Invitational Tournament at Livingston, Tennessee. This was a great honor since only the teams boasting the best records in the state are asked to participate.

In 19th District Tournament play the team hit a red hot Central Sextet and dropped the game 39-36

To add more to the glory and success of the team, Betty Adamson was elected to represent Hillsboro on the All-Nashville Team, and along with her on the second team was Judy Siegrist. Betty Sims and Millie Jamison got Honorable Mention All-Nashville, and Betty Meadows was also recognized as being a standout by frequently making the Weekly-All-Nashville Team. This year's Most Valuable Player Award was awarded to Co-Captain Judy Siegrist.

LIVINGSTON INVITATIONAL TOURNAMENT

At nine o'clock on the morning of December 28th, a group of seventeen girls pulled out of the Hillsboro High School driveway enroute to Livingston, Tennessee. This group was the Girls Basketball Team, who had been invited to play in the annual Livingston Invitational Tournament, for the teams that up until that time were boasting an outstanding seasonal record.

Besides the 12 Tournament players and Coach Weis the others in the party were Patsy Harris, Mrs. W. Hines Sims and Mrs. J. C. Siegrist.

Having left Nashville at nine o'clock, by the time we arrived in Cookeville we were starved We stopped at the B & B Cafe for lunch before proceeding on to Livingston. Arriving in Livingston in the early afternoon we went immediately to the gym in which we were to play that night. Then we continued to Standing Stone State Park.

The Park was beautiful and the cabins were comfortable when there was a fire in them. We had reserved three cabins and after finding them and unpacking, we built a fire and rested for the remainder of the afternoon. All our meals were served to us at the Black & White Cafe in Livingston so about five that

afternoon we went into town to eat. Up until this time nothing very exciting had happened but, while eating our meal we couldnot help but notice that there were some boys eating in the same Cafe. They were the Bemis Boys Team also there for the Tournament. It took about two seconds for our girls to become acquainted with the Bemis boys. They promised to yell for us and we for them. Then we are and left for the first game with Rickman. We beat Rickman the first night 32-18. The Bemis boys also won.

The next day we explored more thoroughly the grounds around the cabins and discovered that the Bemis boys were also staying at Standing Stone. That night we had to play the Livingston Girls Team. We lost but we all received gold basketballs and a Runner-Up Trophy. The winning team received jackets and a large trophy. After the game we went back to our cabins and hosted a party for the Bemis Team and ourselves. We fixed hamburgers and the boys brought the cold drinks.

The next day we had to return home thus ending one of the most delightful experiences of our lives.

BOYS BASKETBALL

The basketball season at Hillsboro was the most successful in many many years. The Burros went through a very tough schedule with a 24 to 7 record to show that they did very well for themselves.

Coach Jones was confronted with the job of building a team out of a squad that had not one single returning letterman, and but one man returning that had any experience on the hardwood for the varsity in the previous year.

Jimmie Pearre, who was referred to by the local sports writers as the "Burro Bouncing Boy", helped Jack hold the team together in times of trouble and was always a scoring threat from far out on the floor. Jerry Caldwell was the team's highest scorer and always played a wonderful game winning or losing. His drives for the basket almost always resulted in two points. Don Jones, Bobby Hatcher, and John McClendon were invaluable to the team with their rebounding and scoring ability from anywhere on the floor.

By mid-season the team was a smooth working unit. This contributed more to the success of the season than any other one factor.

TOURNAMENTS

Hillsboro proved to be a tournament team this year and we should be very proud of them for every thing that they have done over the season.

The Green and Gold went into the 19th District Tournament a decided underdog in their attempt to detend their 19th District Championship of 1950-51. The bracket we went into was the hardest that we could possibly have drawn.

The first game of the tournaments was with Cumberland and we downed them 50 to 36. Next we met latten and the powerful Lions went down under Hillsboro's terrific 2nd and 3rd quarter basket bombing exhibition. Next on the list was Goodlettsville and the Burros squeezed by 36 to 35. We met the powerful DiePont Bulldogs and led them all the way and won the 19th District crown for the second year running.

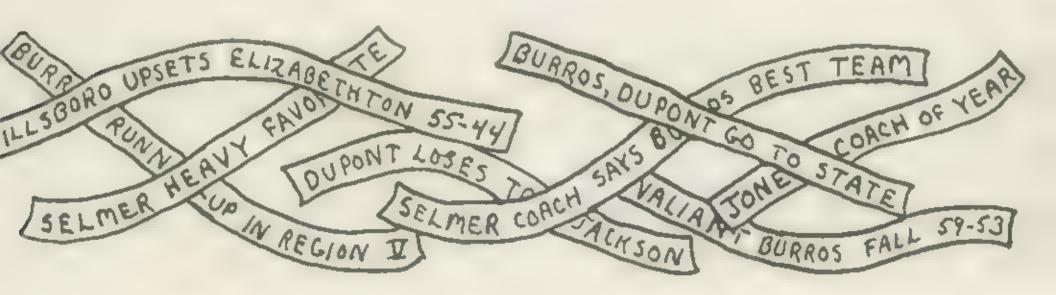

In the regionals, Hillsboro showed the same drive and smooth style as they mauled Tribble 5.7 to 1.7, and edged North +6 to ++. Again we played DuPont in tournament finals. This time the fired-up boys in red took the Burros by 4 points, 31 to 35.

Since the regional runners-up and the champtons go to the state tournament the Burros left for Memphis the following Tuesday morning. The team was followed to Memphis by over 200 loyal Hills-boro fans.

On the huge floor of the Memphis State Armory, Hillsboro, by blasting great Elizabethton 55 to 44, shocked every one. They were fed by Captain Jack Recktenwall who tallied 18 points, playing perhaps his best game.

Next game in the State Meet was with powerful Schmer. The Selmer Lions were considered by many as one of the best teams ever to come out of Tennessee. At the time the Lions had a record of 31 and 2. The Burros were unimpressed by the great record and went right in to win the game. I versone on the team battled hard but when the game was over the score read 59 to 53. Our own Hillsboro basketball team almost pulled the upset of the year and we should be very proud of them for a job well done.

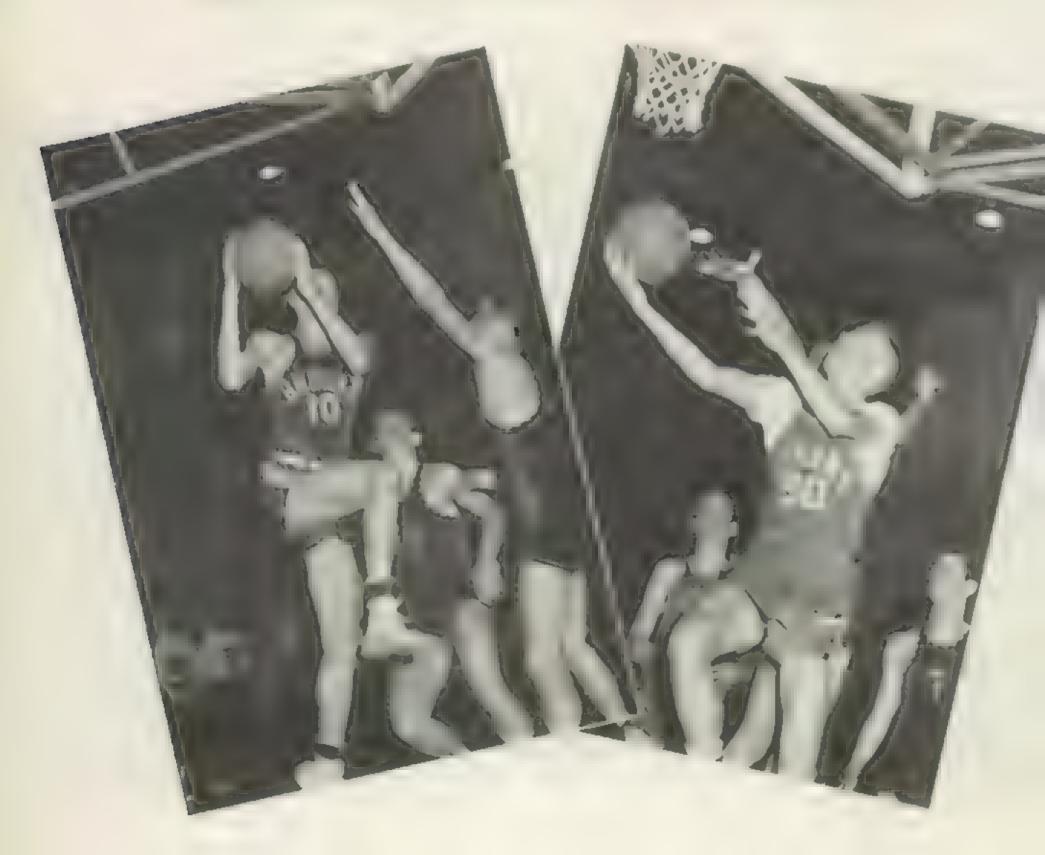

At the end of each tournament an All Lournament Team is chosen and Hillsboro was represented on the 19th District Lournament Leam and the All Region V Team. Hillsboro paced the District by placing three boys on the honor team, Jack Recktenwall, Jimmie Pearre, and Jerry Caldwell. Jerry was the lone Burro on the All Region V Team.

19th DISTRICT ALL-TOURNAMENT TEAM

Hillsboro represented by JERRY CALDWELL, JACK RECKTENWALL, and JIMMIE PEARRI.

"Let's all go to Memphis, Let's all go to Memphis, We're gonna win the State." This little song rang through the halls of Hillsboro for at least two weeks. It served as a pep song for winning the 19th District Tournament and finally materialized on that glorious Friday night of March 7 when we beat North for a state tournament berth.

We wanted to charter busses right away and take the entire student body, but it was Monday morning before we got the official word from the County Board. In a special assembly we learned that we would have to take zeros in our subjects and the school could not have anything to do

'Guing

with busses. This seemed like a terrific blow; but Hillsboro spirit was not lacking, and it was only an h before we had a list of thirty students and a promise reservations in a Memphis hotel. We soon realized i someone would have to accept the responsibility for ganizing this trip so Shirley Tritschler and I decided do it. We immediately started trying to get chaper which seemed the biggest headache. Finally seve mothers reluctantly agreed to go, and we chartered first bus. But the enthusiasm was so great that we so had seventy-five names, enough for two busses. Ev name on the list had to be called so that we might h their parents' official permission and then another le distance call to Memphis for more hotel reservations Tuesday morning the business had mushroomed into major operation. Many more people were mobbing for a chance to go, and we finally got Dottie Akers to sp sor a third bus. Hillsboro was going to Memphis in si of unexcused absences and support the team that they w so proud of:

On Wednesday morning the busses rolled up to sch amid mass confusion as more students were still begg to go, even if they had to stand up for the entire five had drive. -We had about five on each bus who did ride staing.- Shirley took up money while I tried to put people the right busses. Everything seemed fine until the drivdiscovered a broken accelerator spring on one of busses. This was not serious but the fifteen minute denearly drove the students wild. We finally drove off 9:00, cheered by a large group of students who had skipp their first period class to see us off and cry over their laat not being able to go.

As soon as everybody got settled some of the boys up a surcase for a card table while the girls started pass out homemade cookies. We must have sung every so we knew before lunch and one group made up a Hillsho song which we sang constantly for the rest of the particle by the fixes it—and we decided to eat along the way we made one stop where we practically bought the surtown of Parsons out of cokes. The only drawback to the was discovered about two hours later when we hit of those roads like the figure S. The bottles rolled from side of the bus to the other. It sounded like a bowl alley. In the afternoon we got out crepe paper and stifor shakers which we made for the game.

Our drivers were swell, lucky for us, because from minute we set out the riders never let up teasing the The one on my bus was named Sam and the favorite pression became: "Let's go Sa-am." -adopted from cheer "Let's go Bur-ros." We nearly had a fit when of the other busses passed us. Sam tried to make up our teasing by loudly proclaiming that he was going cheer for Flizabethton. This inspired me to write poem:

Now bere's a guy who'll sure win fame; We call him Sam, cause that's his name. He drives our bus in rain or shine, And even thinks our noise is fine. As to faults we've found just one, He plans to cheer for Elizabethton. Now this to us is very sad. It makes the Burros very mad' We hope that he will change his mind. So we'll all he 'one-of-a-kind.'

But after all the poetical effort he didn't even come to he game so we bought him a ticket for the next night. Anything for a loyal supporter.

When we arrived in Memphis the students were not illowed off the bus until we could tell them which room hey would stay in so they nearly croaked while Shirley and I were getting the reservations. To make matters worse, the photographer that was supposed to meet us tad taken a picture of the third bus which had gotten to demphis first. This disappointed the publicity hounds in he bunch.

We decided to have a Pep Rally at 5:30 so I asked the esk clerk for permission. The students were standing round the lobby waiting for the busses to take them to he gym. This is what the clerk said: "Well, guess we ouldn't do much about it if you did. Besides, you could ot make much more noise than you're making now." omeone passed out shakers, balloons, and confetti while he cheerleaders lined up. When the "bedlam" started, ellboys, waitresses, cooks, and maids lined up on all ides to watch in open-mouthed amazement.

The spirit at the game was wonderful! We especially ppreciated the cheers of DuPont. Our students were ery disappointed that we did not get to Memphis in time or the DuPont game that afternoon.— Victory was great a every sense of the word, and our stands went wild. We had planned to win somehow, but that 55-44 score was nuch more decisive than we had dared hope. After the same everyone wandered around town in large groups, t was strange to see students swarming over the streets like ants. Room check was taken at 11:30, but the noise id not subside until much later.

As sponsor of the trip I received a call Thursday morning hat scared me to death. At 8:15 the Assistant Manager freeted me with the following cheerful words: "Miss doland, there was a great deal of trouble in this botel last light. I would like to meet your group at 10:00 this borning to discuss whether or not I kick you out of the otel." At first I nearly cried, but then I realized that here were several other schools staying at the Claridge and I prayed that they had done the damage. As it turned but, he did kick out several other schools. With almost the hundred from Hillsboro in his hotel you can see why he might blame us.

We had hoped to go to the zoo but soon found out that hursday was reserved for the colored people of Memphis. hoped that we might have a small chance of getting in my way; so at 7:30 I started working on the Chamber of ommerce. They referred me to the Overton Park Commissioner and finally to the Superintendent of the Zoo, by this time I was getting worried, but the Superintendent was swell and we all enjoyed our visit to the Memphis boological Gardens. Later we drove across the new frump Bridge so we could say that we had been to Aransas.

For the rest of the day Hillsboro students went to movies nd shopped while I tried to and someone who had shakers. Ours had been destroyed in Wednesday night's exitement.— But no one had them so we decided to make nore. The crepe paper was easy to get, but the printer hat cut it for me never did understand why I wanted 32 ackages of crepe paper cut into 25 strips apiece.

At 7:00 everyone met in the lobby for another Pep Rally, although our game was not until 9:00 we decided to go ooner so that we might see the DuPont game. We were ery sorry that DuPont lost and also that we met the small and of a score, but Hilsboro was so proud of their team or making such a good showing that spirits did not lagger all, we played the top team in the state a neck-and-eck game and only lost by 59-53. We got back from the gym about 10:30, but everybody stood around the obby until 12:00 to give the team a well-deserved receptor. The chaperons had a hard time getting us to bed, ut there was no trouble in the hotel.

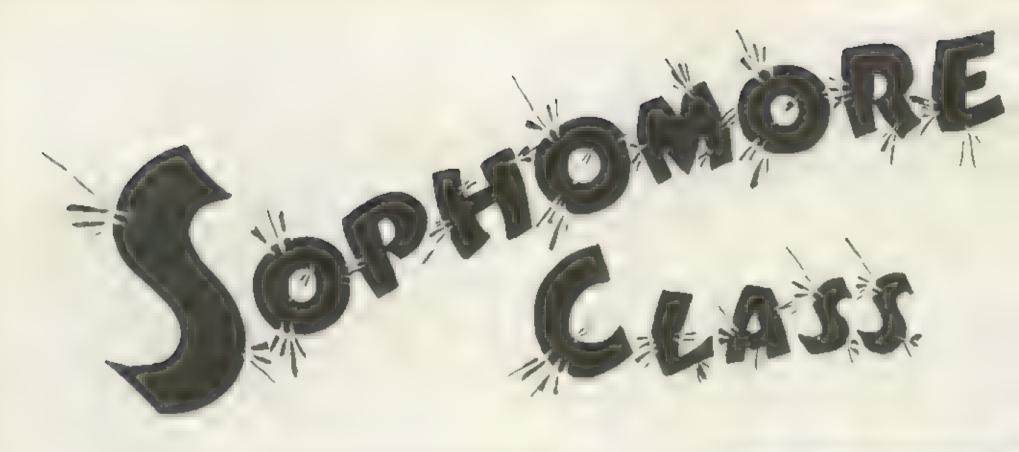

One girl got a surprise Friday morning when she anwered her phone to the following message: "This is Room ervice. The time is 5:30 and the temperature is 44-.

Thank you." The rest of us were called at 8:00 but I can't help wondering how amusing it might have been if the operator had gotten one of the room numbers wrong and some traveling salesman had answered his phone to the tune of: "Your chaperons want you to get up now. Thank you."

The trip home was no less exciting than the one down, but it took as much longer. Since no one was in a harry, we stopped to eat several times. No one had slept much in Memphis; so a lot of people napped. The others read "mush books" -the latest form of comic book, true love stories- and played "Quo Vadis." This consists of one person acting out Nero -Florence Anderson in our caseone Petronius, and the rest dividing up into Romans and Christians. The Christians sing mournful hymns as the Romans turn thumbs down, indicating death, and a "slavegirl" carefully preserves the tears of Nero when he hears of the death of Petronius. When the students arrived in Nashville, Nero's song was being sung as often as the Burro pep songs. In fact many a parent listened in amazement as the busses unloaded to the chanting of: "Oh-Oh; Oh flame divine. Oh-Oh; Oh flame divine.

Freeything considered it was a wonderful trip, and I wish Hillshoro all good luck in going to Johnson City next year. I only hope that more people will have an opportunity to go.

HISTORY OF THE SOPHOMORE CLASS, '51-'52

Well, after a three months vacation from our glorious but slightly confused Freshman year our Sophomore class started in with energy and spirit to make a successful year.

Bobby Alford was our choice for head man in the operation, Julian "Tuffy" Norman was selected as next in command, Betty Chiles kept the minutes. Ann Bennett handled the money, David Johnson kept order and Mrs. O'Connor did a grand job as our faculty adviser.

We started the year off with a "Town and Country" party given for the Freshman class. Remember Milner Ball and Art Harding and their Hill-billy Band?

We were mighty proud of our athletes in 51-52. Richard "Bull" Sweeney, Henry Bland, Jimmy Crawford, and Milton Komisar were our contributions to the football team. Ann Hawkins started playing basketball. Also lending their able support to the team were Carolyn Pella, Giony Ann Hardesty, Carolyn Overton, Star Mitchel and Judy Allen. Bobby Hatcher was our outstanding boys' basketball player. Will anyone ever forget the Memphis trip and State Tournament? Cheering those Burros along the way were vivacious little Betty Jean Lauderdale and Hugh "Dede" Graham.

Milner Ball was chosen as a candidate to the Student Council Convention.

Judy Allen was elected our class attendant to the Prom Queen.

What summer already? Now our class is at the halfway mark.

Every year the Dramatic Club produces a three-act play, usually a comedy. This year it was a coinedy to end all comedies. Joan Wells and Bill McWhorter were the owners of a dipalidated house where a historical begure once stayed. They found out in the second act that it was Benedict Arnold. When they discovered they were going to lose the house they tore it up, in the end they were able to keep it after all.

BASEBALL, 1952

Hillsburg's baseball team in 1952 is perhaps one of the best in the school's history. For years we have been blessed with an abundance of talent but it seems that this year we were loaded.

Several veterans bolstered the roster and these include Jerry Caldwell, Jim Pearre, Don Pemberton, Bob Young-love, Wilburn Smith, and Don "Nugget" Farrar.

There is a bright outlook for the future as the team has batted 376 for the first four games and Don Farrar's arm has held up very well considering the fact that he has been called upon to pitch all the games thus far

We wish them lots of luck for the remaining games in the season.

GOLF TEAM

Left to Right: LARRY BURTON, JIMMIE PEARRE, BILL BRAUCH, DAVID STOOKE.
This year's Golf Team has had a great deal more experience than last year's, and, therefore, should have a better season. Jimmie Pearre is one of the city's low scorers.

HISTORY OF JUNIOR CLASS

Class of '53 starts year with a bang! Hickman, Van Ness, Ellner, Leech, and Wallace rack up votes to spearhead cheers. Football comes again, and seen running laps were Brunson, Henry, Robinson, Beasley, Coutras, Austico Wakefield, Lawson, Farrar, Nichol, Smith, Graham, and Johnson. Memphis threw the town open in March, and the Junior boys that helped fight men of the Selmer team were Caldwell, Brunson, Jones, McLendon, and Lewis.

When Litton started looking for glamour girls, the Juniors rose to the occasion. Sally Ellner and Nancy Hickman were our celebrated beauties-Caldwell tells "Why Pinson is a Good Citizen" and wins! Ogden Stokes talked other debaters down, and Martha Sanstead jazzed up the "Poionaise." Nancy Hickman was the Junior Class representative to the Prom Queen. The whole class worked hard to make the Junior-Senior "Garden in the Rain" a huge success. Taking everything into consideration the Beerhouse and the Numbery had a pretty good year and all's well that ends well!

FRESHMAN

It hardly seems possible that it is almost four years since that long-anticipated day when we entered Hillsboro High as freshmen, the lowest of low, feeling a little scared but very happy that at last, after eight years, we were high school students! Subdued though we might have been, our first few days were not to go unnoticed long throughout the school. As leaders of our class we chose Roy Kavanaugh, Finny Williams, Barbara Noland, and Ted Fore, with Mrs. Derthick as our sponsor. Our star for the year in football was Ted Fore, and we were well represented, to say the least, on the girls basketball team by Betty Meadows, Judy Siegrist, Nancy Simpson, Georgianna West, Patsy Simpkins, and Jody Marrs. We were also no less proud of our lone member among the cheerleaders, Barbara Noland. The operetta "Mikado" was given that year and among the members of the cast were Cecil Wray and Ed Hartis. For our first prom we chose Darlene Batey to represent us. Before we knew what had happened, final exams were here and after a great deal of cramming, we managed to pass—well, most of us anywas. By the end of summer school we were all together again—a step nearer being upper classmen.

SOPHOMORE

In the fall of 1949 we once again returned to the halls of H.H.S. Among our first official acts was the election of Roy Kavanaugh, Jimmie Pearre, Betsy Williams, and Ted Fore as class officers. Soon after, we welcomed the new freshmen class with a square dance. Football season got under way soon, with Led Fore and Don McIlhenny doing a good job representing our class. Judy Siegrist, Betty Adamson, Joan Pinson, Millie Jamison, and Betty Meadows showed much promise on the girls basketball team. Don McIlhenny and Jimmie Pearre again showed their athletic abilities with the Burro baseball team. This year saw the organization of the Pep Club to encourage school spirit. Nancy Simpson was elected to the position of secretary of this club. To help lead the cheers, Barbara Noland was again elected, with Betsy Williams right along 'side her. The "Gondoliers" was given this year, a great success with the help of Ann Hosse, Barbara Dorris, and June Greer.

After the football and basketball seasons, it wasn't long until the Junior-Senior Prom. Nancy Simpson was our representative at that gay occasion. With the arrival of exam time came the prospect of a restful and happy vacation. When exams were over and "everyone" had passed, halt our high school carree was behind us.

JUNIOR

Whoever said "time flies" seems to have been right, for here we were, juniors already. Upper classmen at last! This year we chose Roy Kananaugh as president of our class, for a change, and his able assistants were Ted Forc, Nancy Simpson, Connie Bowers, and Robert Harris. This year our class supplied many outstanding members to the football team. Among them were Don McIlhenny, Mutt Cowan, Jimmie Pearre, Conrad Thomas, Warren Waite, and Robert Harris. Again Barbara Nofand and Betsy Williams were leading the cheering section at the games. And again this year we were well-represented on the girls basketball team with Judy Siegrist, Betty Sims, Betty Adamson, "Little Bit" Meadows, Millie Jamison, Joan Pinson, Peggy Polk, Agnes Lashley, and Patsy Simpkins. Their manager also was a junior, Carole Sims. We were not without representatives on the boys basketball team either, having Bob Cochran, Jack Recktenwall, and Tommy Johnson. Soon spring came, and spring is the time for, among other things, student-body elections. When the final votes were cast and counted, we proudly looked upon out student hody leaders for our senior year. Jack Recktenwall, president, Jimmie Pearre, vice-president; Nancy Simpson, girls' vice-president; and Bersy Williams, sccretary-treasurer. This year the Banner Talent Show was given and our class had two of the three winners: Joan Wells won second place and Cyril Holderfield, third place. The Honor Society took in as new members nine students from our class who had the necessary requirements. The honored students were Mary Sieger, Marjorie Grayson, Cecil Wray, Jane Carter, Gordon Campbell, Connie Bowers, Agnes Lashley, Bobby Howard, and Barbara Nol ind. Also with Spring came the Junior-Senior Prom, and it was our year to give it. Our class worked hard, but it was worthwhile to know atterwards that the Prom was a huge success! Nancy Simpson was again our attendant to the Prom Queen. Soon it was time for final exams but, after they were over, there was the satisfaction that when we returned in the fall we would be seniors at last! We celebrated this with a wonderful class picnic and then adjourned 'til fall.

SENIOR

We returned, after a seemingly short summer, to begin our final and busicst year at the Alma Mater Our class leaders were Roy Kavanaugh, Warren Waite, Shirley Tritschler, Connic Bowers, Don Mc-Ifhenny, and Johnny Hatcher, who were ably assisted and directed by our sponsors, Mrs. Derthick and Mrs. Frierson. As football season neared, Shirley Tritschler, Betsy Williams, and Barbara Noland were elected to cheerleading positions. When the games got under way, senior gridders included Jimmy "Mutt" Cowan and Ted Fore, Jimmie Pearre, Don McIlhenny, Bob Cochran, Warren Waite, and Conrad Thomas, who helped the team compile a 5-3-1 record. Don McIlhenny was the outstanding member of the team, making first team All-City, All-State, All-Southern, and Honorable Mention All-American. At our Homecoming game, Betsy Williams was crowned queen by co-captains. Led Fore and Jimmy Cowan. Her well-chosen attendants were Shirley Tritschler, Nancy Simpson, Barbara Noland, and Darlene Batey. Co-captains Judy Siegrist and Betty Sims, Betty Adamson, Millie Jamison, and Betty Meadows helped bring many victories to the girls baskethall team. Betty Adamson and Judy Stegrist were the standouts with their All-City honors. Boys basketball was at its best, as Coach Billy Mac Jones brought the Burro tive through its most successful season after he lost his entire first team of the previous year. Glory and honor were brought to the team as they captured the district title and trophy from Dupont for the second straight year. Next came the regional tournament and when the finals were played, it was again Hillshoro against Du Pont. This time Du Pont came out on top after a close game but both teams won the chance to compete in the state finals at Memphis. It was at Memphis that the Burros gained

the most recognition. They fought a great Selmer team all the way to the end only to lose in the bual. minutes of the game. Selmer went on to be the champs. Spring again came—our last spring at Hillshoro. Everyone was in a mad frenzy, for term papers had to be in soon, and there were millions of other things. to do too. The play George II ashington Slept Here was presented and among the stars were Joan Wells. Don Cochron, Jane Edwards, Lottin Lemmonds, Miriam Dance and Cecil Wray. The operetta, "H M S. Pinafore, was also produced and among the cast were John Hatcher, Bob Lockridge, Anne Riley Whitmer, Bob Partain, Pat Kelley, George Ralston and Vance Tilley. Next came the student body elections. The seniors were the backers of the candidates, and much time was spent in decorating and talking up the candidates. This year there was a Mock Republican Convention sponsored by the American History classes, and we selected the man we thought should run for President and Vice-President of the United States next year. Along with our heavy school work, time was found to produce the Burro Blowout, which was a huge success, and to compile a great, new annual. Soon Senior Week was upon us and we really realized what it was to be a senior and be leaving our Alma Mater. It was a week of great fun for us. At the Juntor-Sentor Prom we were proud to see the queen from our own class-Libby Leuthold. The senior attendant was Betsy Williams. Time was really flying by now and, before we knew it, exams were on us. Within the week we would graduate. Announcements of scholarships granted to some of our outstanding seniors were made. The most outstanding of these went to Joanna Higgs, who won a scholarship to the famous Artists Course in commercial art and illustration. Joinna well-deserved it for she has won many honors for herself and Hillsboro in the past four years. She was a "Poppa Poster Contest" winner her freshman, sophomore and junior years and this year won hist place in the Red Cross Poster Contest. Don Lane won a wonderful four year scholarship to Dartmouth College at Hanover, New Hampshire. N. R. O. T. C. scholarships at Vanderbilt University were awarded to Gordon Campbell and Bobby Howard and Bobby Stratton won a four year scholarship to Bowling Green University - Cecil Wray and Johnny Hatcher won recognition also in the Westinghouse Science Talent Search with third and titth places respectively. Agnes Lashlee received first place in the A.P.S.C. Math contest and Ann Bar won top honors in a United Nations exam. We all looked forward to college, but we realized we were together for the last time. It had been a wonderful four years and tour which we are sure will always be remembered and cherished. And now the Class of 1952 says its last good-bye to Hillsboro High School, our Alma Mater.

SENIOR PROPHECY

TIME: The year 1972, January 1st, 1:00 A. M.

PLACE: New Year's Eve Party

Well, Bobby Cochran, imagine seeing you!

Golly, Dianti Hornbuckte! I haven't seen you since high school days at dear 'ol Hillsboro. Wasn't that back in 1952?

Why yes, Bobby, it was. Gee, remember what a good basketball team we had that year?

Yes, that Jackie Reckieswall surely was a great player. Did you know he's coaching at Harpeth Hall now? And Ernest McDaniel is teaching baseball.

Why no! Say, I hear another member of that team is doing well these days. JIMMY PLARRE is president of the Salvation Army.

You know the football team did right well that year too. Don McIthenny and "MUTE" COWAN have returned to Hillsboro as co-coaches after brilliant careers in professional football.

Say, I hear some of the more outstanding classmates are doing well in Hollywood. ROCHILLE HULL-MAN is co-starring with BOBBY "LOVER-BOY" DUNAWAY IN GEORGE RAINION'S torrid love story, "A Place in the Moon," directed by Joan Wells and ROSEMARY MORTIMER.

Yes, and Ann Barr, Florence Anderson, June Greek and Barbara Dorris are all starring in "Dolg Dennard's Follies" at Charlie Pickering's Casino in Las Vagas.

Oh, there's HAROLD BOHANNON; he's just opened an ultra-modern tavern in Death Valley. JOHN ANDREWS is chief "Barr"-tender.

Say, 18n't that CECIL WRAY with BOBBY PARTAIN coming in the door? They're both driving trucks for Nashville Garbage Disposal these days.

And did you know that KILLY BARKER and MARIE BEDFORD are "good-will" ambassadors to Arabia?

Really? Say, speaking of Arabia, Bill McNeill has a harem over there, Carol Holl, Georgianna West, Peggy Polk, and Patsy Simpkins are but a few of his captives.

Yeah, that 'ol class of '52 really has done well. Why, I heard the other day that NANCY HINES and PEGGY SMITH are the first women teachers at Sewanee University, and guess what! JOAN PINSON is Dean at M. T. S. C.!

Did you know that Lot Bort M moved to Daytona Beach and opened a restaurant? Well, I saw her there last summer; MARIHA ANDERSON, BARBARA BALLARD, JO FLEEN KLEINER, and JOYCE HOLE are some of the cute waitresses working for her.

Wasn't that awful about AI GREEN'S almost dying from "Fishie Fobia until Dr. Vance Tilly discovered a miracle drug? Dr. Tilly was aided in this marvelous scientific work by Dr. John Lirrill.

By-the-way, Jane Fowards and Georia Stratton are tobacco auctioneers for the Lucky Strike Company, of which Al Batts is president. Finney Williams, Allen Green, and Conrad Thomas are all taste-testers for a distilling company.

You know I heard the other day that DIANE WINSTON, JOYCE VICK, MARY SAEGER, and MARY TAPPEN are secret service agents in Russia, and ALLEN BALLANGER is head of the F. B. I.

Wasn't it grand about LIBBY LET THOLD and ROY KAVANAT GH finally getting married after a forty year engagement? DIANE O'DONNELL and SONNY COOLEY got married the same day. This double-wedding provided Nashville with its leading social event of the year. REV. JAMES ASKEW performed the ceremony.

I heard that BETSY WILLIAMS, NANCY SIMPSON, JANIS McDowell, and Connie Bowers are leading jet aces for the U.S. Air Force, but PEGGY COOK is still the leading "gunner" of the day with twenty-eight North Korean planes to her credit.

Yea, and how about LOFTIN LEMMONDS' being voted the country's number one detective? I hear Darlier Bater is a policewoman on the bigamy detail.

Cook's Goldblumes are doing well these days with such "all-stars" as Betty Adamson, Betty Miadows, Millie Jamison, and Betty Sims still making the points.

Isn't it marvelous about Chartie Fattkner's becoming a leading fashion designer. Dick Cart's is his business manager. Beverly Bowne, Anne Hosse, and Dorothy Darnett are his head models.

Ya don't say! And did you know that JOANNA HIGGS is hailed as the Rembrandt of our time, while CIARA AYCOCK, BOBBY BAICH, JANE CARTER, and MARJORIE GRAYSON are the outstanding astronomers who made the first inter-planetary rocket ship. JULIA LONG, CAROLE SIMS, and JUDY SUGRISH made the first successful landing on Mars.

Several of our former classmates are outstanding in the field of education. Bubby Howard has written a book disproving Einstein's theory, and ROBERT YOUNGLOVE is teaching at St. Bernard's Academy, Don Lane is Dean of Men at Vanderbilt University.

Did you hear about PA1 KELLEY'S taking Minnie Pearl's place on the Grand Ol' Opry! Also starring at the Opry are ace guitar pickers, Bill Parrish and Jimmy Holladay. Teddy Fore is square dance caller.

I'll bet MR. KOEN is really proud of JOHN. You know he was recently promoted to a five star general. GORDON CAMPBELL is the oldest buck private on record. When PATION HASH lost his millions during the "rat race" of 62, he joined the French Foreign Legion and hasn't been heard from since'

Say, I hear AGNES LASHLEE won an international Charleston contest. The judges were Marcia Orning, Martha Saunders, and Mary Anne Lawrence.

Ringling Bros. Circus has a few new performers these days. Million Braces and Maria Barkdull, are sensational acrobats, and Bill Baird has a terrific fire-swallowing act.

Hey, look, isn't that ERNEST RICE over there? He just bought American Air Lines. ROBBIE REYNOLDS is the chief stewardess.

You know JIMMY WHILL'S finally got out of the Navy after twenty-five years in the "brig" on board JOHN HIBLER'S ship, the Shrimp Boat.

It is rumored that WALLACE FDWARDS owns the largest hamster farm in the world. He just stirted it last year with the financial backing of RONALD BRAMLETT and WILLIAM CEMMING.

Oh. I was so glad to hear that DONALD COCHRON and MARTHA HERBERT got married. They had to wait till they were old enough to draw "old-age" pensions before they had the money. STEWART FOX helped them a lot by getting their marriage license at half price.

Our old class should be proud of ROBERT HARRIS, it isn't often a person becomes Englands' poet laureate. RESSELL MILLER and JOHNNY HATCHER are also in England; they're pages in the royal court

When PHILIP LANGEORD graduated from Yale, magna cum laude, he, WALTON HEBBARD, and BOB Lockridge founded a rest home for hoboes; it is said to be the nation's finest. VIRNON STEER was its first guest.

Say, I saw Shelta Clark the other day. She just opened a new dog kennel. Shirley Trisciller is really giving her the business, bringing in stray "Mutts."

PAISY LANIER was another member of our class who loved animals. She is now running a pig tarm out west. Barbara Noland and Ann Parker are her veternarians, and Peggy Link is chief Hog Caller.

Did you hear about ROY KAVANALGH and PARKE SEREEL, the fertilizer tycoons? They se made millions in the past few years. CYRIL HOLDERHELD, BOBBY STRALLON, and GEORGE RAISTON gave their money to charity. Why, I hear they're practically keeping GEORGE REYNOLDS and ROBERT YOUNG alive.

Say, see Miriam Dance and Anne Riley Whitmer over there with Jean Kalberteisch? Miriam and Anne Riley are instructors at Arthur Murray's, and Jean is the new teacher of Family Relations at Hillsboro.
